Education.

89. Appendix XXV. gives in detail the particulars of the schools in the State. The total number of schools was the same as last year viz: 45. The number of scholars on the 31st March 1916, was 2,017 against 2,037 of last year. From the figures in the Appendix, it will be seen that there is a fall in the number of girls, which is due especially to the prevalence of plague in some of the villages.

The expenditure under Education during the year was Rs. 14,733-5-0 against Rs. 14,069–8–2 in the previous year. Primary education as far as standard IV is given free.

90. There is no High school in the State. There are however 3 Anglo Vernacular Schools at Budhgaon, Gudgeri and Haripur. The school at Budhgaon teaches up to standard IV, while those at Gudgeri & Haripur teach up to standard III.

91. Almost all the schools were inspected by the Deputy Educational Inspector of the State, who reported that the results were, on the whole, fairly satisfactory.

92. Scholarships are awarded to deserving students in Arts and Training Colleges.

93. There is no Primary Aided school in the State. The State, however, pays an annual grant to the Path-shala at Haripur which teaches Sknskrit. The average number of boys attending the Path-shala was 19 in the year under report.

CHAPTER VIII.

STATE KARBHARI'S OFFICE.

Budhgaon 20th July 1917.

From,

L. N. Ransing, Esquire.

State Karbhari, Miraj Junior.

To,

Lieutenant Colonel F. W. Wodehouse, C. I. E.

Resident Kolhapur and Political Agent,

S. M. Country States.

Kolhapur.

Sir,

I have the honour, by direction of the Chief, to submit the Annual Administration Report of the Miraj Junior State for the Fasli year 1326, ending 31st May 1917.

CHAPTER I.

GENERAL & POLITICAL.

The State consists of 3 Talukas viz: Kavathe, Gudgeri and Kuroli, respectively in the British Collectorates of Satara, Dharwar and Sholapur of the Bombay Presidency. It has an area of 196½ square miles excluding that of the 5 Inam villages situated in the Poona Collectorate and one Inam village situated in the Inchalkaranji State, with a population of 36,571 souls according to the Census of 1911. The gross revenue of the State based on an average of 5 years is Rs. 2,63,120-1-5.

2. The State pays an annual tribute of Rs. 7,388-12-6 to the British Government.

3. Shrimant Madhavrao Harihar alias Babasaheb Patwardhan, the Chief of the Miraj Junior State, aged 28 years, is a Treaty Chief and a First Class Sardar. He is married to Shrimati Thakutaisaheb, natural daughter of the late Meherban Krishnarao Madhavrao Peshwe of Barreilly.

4. The Chief is blessed with three sons & two daughters. The first and the eldest son Kumar Shri Chintamanrao alias Balasaheb is aged 7 years & 6 months, the second son Kumar Shri Hariharrao alias Dadasaheb 6 years and the youngest son Kumar Shri Krishnarao alias Appasahab 1 year old. The elder daughter named Sushilataisaheb is 4 years and 9 months old, while the younger daughter named Kamalataisaheb is 2 years & 4 months old.

5. The war which broke out in August 1914 is still going on, but it is firmly believed that the righteous cause which Britain has espoused will, in the end, bring complete victory to Her Arms. This State has paid in all Rs. 11,711–1–11 to the Indian Relief Fund, including the amount of Rs. 61–0–3 as people's contribution, paid during the year under report.

The total Amount of War Loan subscribed by the Chief, his Consort and subjects is Rs. 85,331–12–0 as per details given in my letter No. 785 of the 29th Ultimo.

As regards Recruiting, I may at the outset state that the State comprises three Talukas viz:– Kavathe, Gudgeri and Kuroli. In Gudgeri there are practically no Deccani Marathas and Mahomedans and consequently no recruits could be had there. The Kuroli Taluka consists of only 3 villages but there are very few Deccani Marathas and Mahomedans in any of those villages and consequently no recruiting Party seems to have ever visited those villages for recruiting purposes. It is only in some villages of the Kavathe Taluka that there are Daccani Marathas and a few Mahomedans, and the total No. recruited from all those villages is 15, including 4 Policemen and 3 other State servants, who were induced to enroll themselves as recruits. Besides the above No. one Sowar & a Police Constable volunteered themselves and joined the 31st Lancers at Poona, with three others of their acquaintances (Vide this office No. 44 of the 19th January last). A recruiting Party was sent to Budhgaon and is still working there, but notwithstanding good prospects only a few have enlisted themselves.

6. During the Hot Season the Chief had been to Mahabaleshwar with his family and after a stay of about a month and a half there, returned here on the 23th May last.

7. Both the Resident Kolhapur and Political Agent S. M. Country States and the Assistant Political Agent, S. M. Country paid visits to Budhgaon during the year under report.

8. Appendix I. gives the names of the high officials in this State.

CHAPTER II.

Administration of Land.

9. For the Revision Survey Work of this State, Government have been pleased to lend the services of the requisite Staff of measurers and classers, who arrived here early in December last and commenced their work in Kavathe Taluka and finished it by the end of May. They have also finished their work in one village of Kuroli Taluka and have nearly finished the other remaining villages. The Settlement Report of the Kavathe Taluka will probably be made in the course of the current year, while the other Talukas will be finished before the close of the next year.

The Revenue Survey Settlement of the 3 Talukas was completed as shown in the table below:—

Name of Taluka.	Year in which the settlement was completed.	Year in which the settlement expires.
